

ENGLISH

1. Find the meaning of the words and frame sentences.

aerobics, aerodynamic,

aerodynamics, affidavit

affiliate, autonomy, autopsy

2. You are Mansi. You visited "The Green Gardens Resort" during the holidays. Write an article for your school magazine about why the place attracted you. Include the following:

Hints: • Accessibility • Reasonable charges • Hygienic surroundings • Scenic beauty • Facilities available.

MATHS

1) explain zeros of a polynomial with example

2) if $p(x) = 5 - 4x + 2x^2$, find

$P(0), p(3), p(-2)$.

Solutions type of 10 question from your textbook.

2) find the zeros of the polynomial

$P(x) = x - 5$

$q(x) = 2t - 3$

3) verify that:

4 is a zero of the polynomial $p(x) = x - 4$

And

1, 2 are the zeros of the polynomial

$P(x) = (x - 1)(x - 2)$.

Solve such type of 10 question from the textbook.
