History

Chapter 2

Part. 2

Q.5. Write in brief about doctrine of lapse which three Indian states were annexed by it?

Answer. According to the doctrine of lapse, independent state would pass into British hands, if the ruler died without natural male here it did not recognise the right of adopted children to inherit The throne.

Satara(1848), Sambhalpur(1850) and Udaipur (1852) were annexed under this policy.

Q.6 how was Punjab and East into the British territories?

Answer. In 1848, Diwan Mul Raj, Governor of Multan and Chatter Singh, the Governor of Hazara revolted in which two British officers were killed.

Dalhousie declared war against Sikhs. Sikhs fought bravely but lost in March 1849 and Whole Punjab was annexed.

Q.7. What do you know about 'Carnatic Wars'? Who were involved in these wars?

Answer The wars that were fought between East India company and French East India company to dominate the trade with India are known as 'Carnatic Wars'.

## ENGLISH

Chapter 3 (literature)

1.Why do you think the sun is hidden?

Ans.The story is set on the planet Venus where it rains incessantly and the sky is forever filled with clouds hiding the sun during daytime.

2.What does the phrase “rocket men and women” indicate?

Ans. The phrase “rocket men and women” refer to people who had migrated from Earth to Venus in rockets.

3.What is referred to as the “raining world” why?

Ans: The planet Venus is referred to as the “raining world” because it rains there incessantly.

The sun remains hidden and comes out of cloud for only one hour, once every seven years.
