Ch. 6. The Magic Wrap

in your c-w copy

LONG QUESTIONS

Q1. What were the gifts the girl 's mother gave for her wedding?

A. The girl's mother gave some gifts for her wedding, they were

A. Garments made of softest silk.

B. Ornaments made of gold and studded with rubies and emeralds.

C. The most precious gift was a silk wrap embroidered with thousands flowers which shone so, they dazzled the eyes.

Q2. What was the most special gift? What made it so special ?

A. The most special gift was a silk wrap embroidered with thousands of flowers of rainbow colours.

It was so special because it was a gift from a Goddess to the girl's great great great grandmother on her wedding day. It had been since then handed down from mother to daughter on their wedding day.

Q3. Why did the husband eventually touch the Wrap?

A. When the rain turned into hail, the husband eventually got alarmed that the wrap would be ruined. So he grabbed it to whisk it away indoors.

S.S.T.

Ans 3-Humidity affect the climate of a place because rainfall of a place depends on the humidity level in the air.

Ans 4-Mountains are cooler than the plains because the higher we go the cooler it gets places located at higher altitude are cooler than the places located at lower altitude.
