15 hard words twice in c-w copy

VIDEO- Chapter-4 Pippi Longstocking (part 2)

SCIENCE: Answer the following in C.W copy

Ques c) How do birds protect their babies?

Ans- The birds build nest to protect their eggs from bad weather and predators.

Ques d) How are mammals different from egg-laying animals?

Ans- mammals are different from egg-laying animals because they directly give birth to their young ones and their babies drink their mother's milk until they are able to eat food.
