ShortQ/Ans

Q8. What did Amy ask Jo to do to keep herself out of mischief?

A. Amy asked Jo to read aloud to keep out of mischief.

Q9. How did the sisters react when Jo told them about her story being printed in the paper?

A. The sisters were delighted and could not believe that Jo's stories were printed in the paper.

Q10. ..this seemed to be the first step toward that happy end. Explain.

A. The above line means that finally Jo's stories were good enough to be printed in the paper. This was the first step towards a professional career. It was also the end of the tension she faced regarding the printing of her paper.
