Civics chapter 1

Q.1 What is Constitution?

Answer. \*the constitution is a collection of those rules and regulation according to which the administration of the state is carried out.

It is a fundamental document which determines the powers and responsibilities of the government as well as the rights and duties of the citizens.

Q.2 What is the need for a constitution?

Answer We need Constitution for following reasons:--

- (1) Constitution reflects the ideals of a country.
- (2) It defines the nature of country's political system.
- (3) Constitution empowers the government to frame laws for governance.

Q.3 What are fundamental rights?

Answer Our constitution guarantees some basic Fundamental rights to its citizens, which are indispensable and no government can take away these rights, these rights are known as fundamental rights.

Q.4. What are Fundamental duties?

Answer. \*The fundamental duties are defined as the moral obligations of all citizens to help promote the spirit of patriotism and to uphold the unity of India.

Q.5 What is Preamble?

Answer. The preamble to the constitution of India is a brief introductory statement that sets out guidelines, which guide the people of the nation, and to present the principle of the constitution.

Q.6. what do you understand by the Parliamentary form of Government ?

Answer A Parliamentary form of Government is that in which executive is responsible to the legislature, which is a representative of the people.
